When the moon is full and love comes
howling, will the bravest hearts respond?

Michelle Castone discovers some
mysteries about a secret boyfriend.
When her boss asks her to join a
mission— she joins out of honour, but
will her secret love survive the
turbulence of it all? Will Michelle follow
her heart or will reason win when she
finds more than she expects?

When Love Howls is a story of love,
secrets, hard decisions and werewolves.
